EXPERIENCE

Freelance Product Designer Jul 2025 – Present
Independent Remote

- Built interactive real-time experiences in Unreal Engine, implementing Blueprint scripting, asset and texture integration, animation blending, and environment design.
- Designed and developed landing pages for clients, applying responsive layouts, visual hierarchy, and usability principles to deliver consistent, conversion-focused results.

Product Designer Jul 2025 – Dec 2025
Instituto de Pesquisas Eldorado Brazil

- Led end-to-end design lifecycle for complex digital solutions, delivering accessible interfaces documented in a design system adopted by the development team.
- Built and maintained scalable design system components, reducing design-to-development iteration cycles.

UX/UI Designer Feb 2023 – Dec 2024
Apple Developer Academy — PUCRS Porto Alegre, Brazil

- Acted as Product Owner across multiple teams in an Agile/Scrum environment, coordinating sprints and cross-functional collaboration.
- Integrated AR and 3D modeling into interactive storytelling experiences, producing all animation and 3D assets in Blender.
- Conducted qualitative and quantitative research to validate product hypotheses and map user journeys.
- Developed accessible app tools tailored for case-sensitive personas, applying WCAG standards throughout.

ACHIEVEMENTS

WWDC 2024 Swift Student Challenge Winner | *Apple, Worldwide Developers Conference*
Selected among the top Swift Student Challenge winners worldwide by Apple at WWDC 2024.

PROJECTS

AR & 3D Interactive Storytelling Experiences | *Blender, ARKit, SwiftUI*

- Designed and produced end-to-end interactive AR experiences, including all 3D assets, animations, and interaction flows.
- Validated design decisions through user research, journey mapping, and iterative prototype testing.

Unreal Engine Real-Time Experiences | *Unreal Engine, Blueprint, 3D Asset Pipeline*

- Delivered client projects featuring real-time environments with Blueprint scripting, custom texture work, and polished animation blending.
